Background

The City of Dublin ("City") is preparing to construct a shared use path on the western side of Dublin Road between Rings Road and Waterford Drive (the "Project"). The City must obtain property interests from various landowners located within the City in order to construct this project. The City presented offers based upon appraisals to each of these landowners.

The City must obtain property interests for the construction of the Project from Isaac D. Penson and Kay W. Penson (the "Grantor"). After engaging in amicable negotiations, the City has come to an agreement with the Grantor to acquire these necessary property interests, pursuant to the terms outlined in this memorandum.

Acquisition

The City will be acquiring from the Grantor only those property interests necessary for the construction of the Project as depicted in the legal description and map attached to this memorandum. The City will be acquiring these property interests for their appraised value. The acquisition is detailed below:

Property Interest Acquiring	Acres	Appraised Value
Permanent Utility, Grading and Drainage Easement	0.024	\$3,900
Temporary Construction Easement	0.049	\$1,650
Landscaping, Vegetation and Trees	–	\$5,000
Total		\$ 10,550

Recommendation

Ordinance 12-14 would authorize the City Manager to execute all necessary conveyance documentation to formally acquire the necessary property interests described above.

Staff recommends approval of Ordinance 12-14 at the second reading/public hearing on April 14, 2014 as obtaining the property interests is necessary for the furtherance of this project.
